

Updated January 2026

I am committed to ensuring that my website is accessible to all users, including individuals with disabilities. I strive to provide a website experience that is inclusive, user-friendly, and respectful of diverse needs.

This website aims to conform to generally recognized accessibility standards, including the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA, where possible. Efforts are made to support accessibility features such as clear navigation, readable text, and compatibility with assistive technologies.

Accessibility is an ongoing process. I welcome feedback on how this website can be improved to better support accessibility and usability for all visitors. If you experience difficulty accessing any part of this website or have suggestions for improvement, please contact me so I can work to address the issue.

Thank you for visiting.
